

Junior Full Stack Developer - Job Description

Job Description:

Location: Hyderabad, India

Experience: 0–4 Years

Company: Apty

About Us

Apty is a leading cloud-based software solution provider that helps enterprises streamline operations and enhance efficiency through guided employee experiences and proactive analytics. Trusted by millions of users worldwide, including organizations like Delta, Hitachi, Mary Kay, and Wiley, Apty empowers employees to excel in their roles by promoting engagement and improving data hygiene.

Role Overview

We are looking for a talented **Full Stack Developer** with 0–4 years of experience to join our dynamic team in Hyderabad. As a Full Stack Developer at Apty, you will contribute to the design, development, and maintenance of cutting-edge web applications that serve enterprise clients worldwide. You should have strong problem-solving skills and be proficient in both front-end and back-end technologies.

Key Responsibilities

- Develop responsive and user-friendly web interfaces using **HTML, CSS, and React.js**.
- Build robust server-side applications and APIs using **Node.js**.
- Design and manage relational databases using **SQL**.
- Collaborate with cross-functional teams to gather requirements and translate them into technical solutions.
- Debug, troubleshoot, and enhance existing applications for optimal performance and scalability.
- Ensure code quality through reviews, testing, and adherence to best practices.
- Stay updated with the latest trends and technologies in web development.

Qualifications

- **Education:** Bachelor's degree in Computer Science, Engineering, or a related field.
- Strong programming and problem-solving skills.
- Proficiency in **HTML, CSS, and React.js** for front-end development.
- Experience with **Node.js** for back-end development.
- Good understanding of relational databases, including **SQL**.
- Familiarity with RESTful APIs and web application architecture.
- Knowledge of version control systems like Git is a plus.

What We Offer

- An opportunity to work with a fast-growing SaaS company impacting millions of users globally.
- A collaborative and inclusive work environment.
- Opportunities for professional growth and skill development.
- Competitive salary and benefits package.

How to Apply

If you're passionate about technology, problem-solving, and creating impactful solutions, we'd love to hear from you! Please send your resume to **[Insert Contact Email]** or apply directly on our website.

Join us at Apty to innovate and create solutions that transform enterprise workflows!
